

## **RUN TO ME**

### **Verse 1:**

I AM your shield, your exceedingly great reward  
Your High Tower, I AM your Refuge and Strength  
And as for Me, My ways are perfect and just  
I will deliver you, for My delight is in you

### **Chorus:**

Beloved do not run away because of shame  
My arms are wide open  
Beloved do not run away because of fear  
My arms are wide open

### **Bridge**

Will you run to Me?  
Will you run to Me?

### **Verse 2:**

To You I will cry, You are my Rock, my Refuge  
For by You, I can run against a troop  
You teach my hands how to war, make my feet like deer's feet  
Enlarge my path under me, so that my feet do not slip

### **Chorus:**

Beloved do not run away because of shame  
My arms are wide open  
Beloved do not run away because of fear

My arms are wide open

**Bridge**

Will you run to Me?

Will you run to Me?
